Hi Kevin,

Thank you so much for providing the priority list.

CARE & CARE plus operations are still conducting spot cleaning, however, we have no LAPD support. Since we do not have LAPD support, we are only doing what we can so that we don't put our teams in danger.

We are hoping that we can go back to doing our regular comprehensive clean ups, but I will definitely keep you informed as time progresses.

Thank you so much, and stay safe!

Thanks for your understanding -- things have been absolutely crazy in CD5. Hope you are doing well.

I know that CARE operations have been temporarily suspended... what about CARE+ ? On these service dates, will the CARE+ crews be doing only bulky item pickup?
